

## UMMMC DINNER SCRAMBLE – A SIMPLE WAY TO CONNECT

One of the best parts of being a church community is getting to know one another beyond Sunday morning. This April, we're inviting you to do just that through the UMMMC Dinner Scramble—a fun and easy way to connect with others across our church family. Anyone can sign up to share a meal with others from UMMMC. You can register as an individual, a couple, or a family. After the sign-up period closes, participants will be randomly grouped, giving everyone a chance to meet and spend time with people they may not already know.

The dinners will take place during the last two weeks of April, and each group will decide the details that work best for them. Some groups may choose to meet at a restaurant, others might gather at someone's home, grab fast food together, or even enjoy a picnic if the weather cooperates. The goal is simple: good food, relaxed conversation, and meaningful connection.

Beginning Sunday, March 8, you can sign up:

- **In person** - Sign-up sheets are available in the Fellowship Hall at First Church or at the back of the sanctuary at our Paris Campus.
- **By email** - Send your name, phone number, number attending, and whether you are signing up as an individual, couple, or family to [register@ummcosta.org](mailto:register@ummcosta.org).

*Sign-ups will close on March 31, and groups will be paired shortly afterward, so everyone has time to plan their dinner.*

## MEMBERSHIP OPPORTUNITY - SPRING 2026

If you've been worshipping with us and are sensing that it might be time to make this your church home, we would love to walk that step with you. We will be welcoming new members into the life of the church on Easter Sunday at our First Church campus, and this is a beautiful day to say "yes" to deeper connection, shared mission, and growing together in faith. If you're interested in joining, check the "I'm interested in membership" box on your Connection Card, or reach out to the church office and let us know. If you have questions about what membership means, please contact Barbara Erb or Pastor Jeremy.

Membership isn't about putting your name on a list. It's about committing to grow as disciples of Jesus Christ, together, for the transformation of the world.

## MARCH MISSION GIVING FOCUS: UMCOR

This month we turn our hearts and hands toward one of The United Methodist Church's most trusted and impactful mission partners: the United Methodist Committee on Relief, known widely as UMCOR. At its core, UMCOR answers Jesus' call to love our neighbors and bear one another's burdens by bringing help and hope where suffering is greatest.

The United Methodist Committee on Relief is the global humanitarian relief and development organization of The United Methodist Church. UMCOR serves as the Church's principal response to human suffering around the world—whether caused by natural disasters, war and conflict, famine, or other overwhelming crises. It is a nonprofit ministry operating under the General Board of Global Ministries and engages in relief efforts in more than 70 countries, including here in the United States.

One defining strength of UMCOR is that 100% of every dollar designated for a specific disaster or relief project goes directly to that work—not to administrative costs. That's because the "costs of doing business" for UMCOR are funded through a separate annual offering that underwrites administrative expenses so gifts to specific projects can go entirely to those in need.

*If you feel called to support the work of the United Methodist Committee on Relief, you can give through our regular offering process. Simply note "UMCOR" on your check or on your giving envelope. You may also contribute online and designate UMCOR, so your gift is directed to this important ministry.*

## Welcome to Paris!

Welcome to Paris, the North Campus of United Methodist Ministries of Mecosta County - we're so glad you're here! This is a place where faith feels like family, where neighbors become friends, and where we learn and grow together in Christ's love.

Whether you're visiting, returning, or looking for a church home, you are welcome here. Come as you are, bring your questions and your hopes, and make yourself at home.

If you need anything or have questions, our church family is here to help. We're blessed to have you with us today.

## THINK ABOUT IT: LOCAL AND CONNECTIONAL

One of the distinctive features of Methodism is that we have never understood the church as a collection of isolated congregations. From the earliest days of the Methodist movement, local communities of faith were connected to one another in shared mission and shared responsibility.

John Wesley organized the Methodist societies so that they would support one another, learn from one another, and work together to respond to the needs of the world. This connectional structure was not simply an organizational strategy—it was a theological conviction. Wesley believed that the church reflects the body of Christ most faithfully when its members remain connected, supporting and strengthening one another.

Scripture echoes this vision. In 1 Corinthians, Paul reminds us that the church is like a body with many parts, each one necessary and each one contributing to the whole. No single part stands alone. Each depends on the others. In Ephesians, we are reminded that Christ is the head of the body and that as we grow together in love, the whole body is built up.

Our local congregation is one expression of the body of Christ. At the same time, we are connected to believers across communities, across generations, and across the world. This connection allows the church to do far more together than any congregation could accomplish alone.

As we reflect this week, consider what it means to belong to a church that is both deeply local and profoundly connected.

## Questions to Think About This Week

- When have I experienced the strength and encouragement that comes from being part of a larger Christian community?
- How does knowing that our church is connected to others shape the way I think about our shared mission?
- In what ways might God be inviting me to see our congregation not just as "my church," but as part of the wider body of Christ?

## Action Steps

- *Learn something new about our connection.* Take a few minutes this week to explore how United Methodist churches support ministries around the world through shared mission and resources.
- *Pray for the wider church.* Include another congregation, a missionary, or a ministry partner in your prayers this week.
- *Encourage connection.* Reach out to someone within the church community this week. A simple conversation or word of encouragement can strengthen the bonds that hold us together.

## Prayer for the Week

*Gracious God, thank you for gathering us into the body of Christ. Help us remember that we are not alone, but connected to a wider community of faith. Teach us to support and encourage one another, and strengthen our shared mission in the world. May our lives reflect the love and unity that come from belonging to you. Amen.*

## Final Thought

The church is most faithful when it remembers that it is both local and connected. Each congregation carries a unique story and calling, yet together we form one body in Christ. As we move through this week, may we remember that the strength of the church lies not only in what we do individually, but in what we accomplish together through God's grace.

**Your generosity makes a difference! To avoid any confusion in our giving systems, please make your checks out to Paris UMC or UMMMC. Thank you for your continued support!**
